

2023 FREE OUTDOOR SUMMER CONCERTS

PRESENTED BY **Montefiore Einstein**

Jazz Forum Arts has been presenting free outdoor summer concerts for 38 years, starting in NYC in 1985. Our Westchester series began in 2000 with the Dobbs Ferry Summer Music Series.

We are thrilled to usher in another season of 32 free outdoor summer concerts at five breathtaking Hudson River locations. The 2023 season features renowned Jazz musicians and talented local artists, showcasing the rich diversity of Jazz genres.

These events attract thousands of loyal fans, Jazz lovers and first-time attendees of all ages and backgrounds. Our audiences come together around the music, picnics and the shared experience of beautiful riverfront settings.
